application is a continuation-in-part, and which will be abandoned in favor of the present application, upon placement of the above claims in the present application.

The Commissioner of Patents and Trademarks is authorized to charge deposit account 502221 of the undersigned in the amount of \$ 378 as a supplemental filing fee to cover those claims in excess of the claims paid for by the original filing fee in the present application. The aforesaid supplemental filing fee covers a total of fourteen claims in excess of the previously-paid-for twenty claims, and six independent claims in excess of the previously-paid-for six independent claims. Further, please charge any additional fees which may be due to the same account.

Favorable consideration of the application, with all thirty-four claims, is respectfully requested.

Respectfully submitted,

Arthur Jacob
